Product short description:

Pinocchio isn't just a wall mount: it's Creative Cables' solution to hang any lamp, while allowing you to adjust its distance from the wall at the same time.

Pinocchio is designed to function with cable lamps: the cable doesn't go through any holes, it is wrapped around ridged wooden supports at each end.

Pinocchio's arm (or nose?) is mobile and may be adjusted at three different heights, for the best possible result.

With Pinocchio, you may hang lamps or lampshades of up to 19.7" in diameter.

Pinocchio is made in Italy out of 100% beachtree wood. It is possible to polish or paint it however you desire.
