Product title:

Spider, multiple suspension with 5 pendants, brass metal, RM19 Burgundy cable

Product attributes:

Ceiling fixing: Hook, Swag hook

Product image:

Product price:

\$230.70 tax included

Product short description:

The Burgundy rayon cable and the brass metal socket and canopy finish make this Spider the ideal combination for classic and elegant environments.

You can configure Spider, the great suspension of Creative-Cables, according to your preferences: you can choose whether to have metal hooks or swag hooks for cable ceiling fixing. In addition, Spider can be purchased in a "DIY" kit or with the single pendants already assembled.

Each of the 5 pendants has a length of 13ft so that it can be adapted to any room and configuration.

Spider is provided with anything that is needed for its installation. The socket included in the Spider have an E26 fitting, so you can install a large variety of bulbs.

Quantity of light, temperature and shape: choose your favorite bulb to complete your Spider!

Attention! Light bulbs are NOT included.

Product description:

Spider suspension with 5 pendants is composed by:

1 brass metal canopy, 5" diameter with ceiling fixing bracket and earthing (5 holes).

5 E26 earthed socket in thermoplastic material - **UL Listed: E190302** with brass metal cup.

5 pieces of cable 3x18AWG - **UL Listed: E496739**.

10 cylindrical cable clamps.

3 WAGO connectors with 5 entries.

Cable ceiling fixing - At your choice, 5 hook anchors or Transparent swag hooks.

In case of purchase of the assembled version, will be provided 5 pendants already assembled composed of 13ft of 3x18AWG textile cable connected to a thermoplastic socket and a metal cup.

An electrician or qualified personnel should be in charge of creating the links inside the canopy, using the provided material.

Attention! Light bulbs are NOT included.
