Product short description:

The Black Glitter linen cable is a sophisticated and unique choice to create a great suspension. With chromed metal socket and canopy, it will decorate every room with its modern style.

You can configure Spider, the great suspension of Creative-Cables, according to your preferences: you can choose whether to have metal hooks or swag hooks for cable ceiling fixing. In addition, Spider can be purchased in a "DIY" kit or with the single pendants already assembled.

Each of the 7 pendants has a length of 13ft so that it can be adapted to any room and configuration.

Spider is provided with anything that is needed for its installation. The socket included in the Spider have an E26 fitting, so you can install a large variety of bulbs.

Quantity of light, temperature and shape: choose your favorite bulb to complete your Spider!

Attention! Light bulbs are NOT included.

Product description:

Spider suspension with 7 pendants is composed by:

- 1 chromed metal canopy, 5" diameter with ceiling fixing bracket and earthing (7 holes).
- 7 E26 earthed socket in thermoplastic material UL Listed: E190302 with chromed metal cup.
- 7 pieces of cable 3x18AWG UL Listed: E496739.
- 14 cylindrical cable clamps.
- 3 WAGO connectors with 5 entries.

Cable ceiling fixing - At your choice, 7 hook anchors or Transparent swag hooks.

In case of purchase of the assembled version, will be provided 7 pendants already assembled composed of 13ft of 3x18AWG textile cable connected to a thermoplastic socket and a metal cup.

An electrician or qualified personnel should be in charge of creating the links inside the canopy, using the provided meterial.

Attention! Light bulbs are NOT included.
