Product short description:

If you are looking for the most versatile way to hang a light and lampshade, you've found it! With our plug-in pendant for lampshades, all you have to do is plug them in and flip the switch, which is conveniently located on the side of the socket. This allows for quick and easy control of your light.

All of our handmade pendant lights are created upon order; therefore, they are completely customizable. Choose the color of the socket, the color of the plug, and the length of the cable, and we will do the rest! Also, don't forget to check out our full light bulb collection. An exposed bulb can add the right amount of charm to any space.

Attention! Light bulb NOT included.
