Product short description:

Want to add some color to an old lamp?

Our RD75 Natural & Blue Linen Chevron cable cord-set with 3 prong plug is a perfect solution.

Product description:

To add some color to your home you can choose from any of our beautiful cloth covered cables to build a custom cord-set.

They are great for re-wiring table lamps, floor lamps or vintage fans.

They are available in 2 lengths (10ft and 16ft) and with either a black or white plug. Great for the DIY enthusiast.

This is a UL Certified Wiring Harness: UL #U44186203

Custom lengths are available upon request, just send us a message and we will get back to you with pricing and availability.
