Product short description:

Nothing is more welcoming and warm than having natural colors and materials in your space. Our Posaluce Cubetto does just that with a timeless design, adding a special touch to any room. It's made from Italian wood with a natural finish (no oils, paints or varnishes on it), and each side of the lamp is 3.54 inches, making it a perfect cube.

We've pre-selected four cables out of our collection for you to choose from here, BUT YOU'RE NOT LIMITED TO ONLY THOSE. You may also request any cable from our full collection to have a table lamp customized just for you!

Looking for a special color lamp? Be aware that since these table lamps are made from natural wood, you can paint or stain them. You're able to match the lamp to your exact needs.

Attention! Light bulb NOT included.
