Product short description:

The Shiny Copper Bell lamp shade will envelope your home in a pleasant light, thanks to its wide shape and white varnish interior that facilitates illumination.

The shiny copper finish on the lamp shade makes it perfect for any living space, modern or chic. Shiny Copper Bell comes complete with a cylindrical cable retainer with a copper finish and a smooth white socket with an E26 socket, and will accommodate light bulbs up to 4.92" in diameter.

Attention! Light bulb NOT included.
