**Product short description:**

This Rose One Canopy Kit comes with EVERYTHING you need to make your own 5 hole pendant light utilizing our LARGE round Rose One Canopy & Cover.

What sets this apart from our regular pendant light canopies is that this is a two part system with an extra deep ceiling canopy that allows for easier wiring of connections, as well as a wide cover over the canopy that allows you to create pendant lights, swag chandeliers, cluster lights and more with even greater impact.

This Rose One Canopy Kit includes the following: a LARGE Rose One Cover (7.87" diameter) with pre-drilled holes; a LARGE Extra Deep Rose One Canopy (4.7" diameter); cable clamp strain reliefs; and all brackets & mounting hardware.

Our Rose One Canopy Kits come in a wide variety of colors and designs. And you can choose from the whichever pre-drilled hole pattern works best for you OR purchase one of our Rose One Cover Un-drilled Blanks and you can create whatever pattern you like!
