Product title:

XL Ghostbell Wire Mesh Pendant Shade | Socket Cover | Oversized Design

Product attributes:

Finish: White, Black

Product image:

Product price:

\$42.80 tax included

Product short description:

XL Ghostbell is a **pendant lamp shade** that leaves the bulb visible, wrapping it in its characteristic grid of black metal wires.

Ideal for creating **suspension lamp shades with a modern style** and industrial references, we suggest you use this cage lamp shade to enlighten large spaces, such as lofts and living rooms, or to give light to areas dedicated to the conviviality of a house or a business.

Create your lighting installation with Ghostbell XL: choose one of our sockets for lamp shade with E26 double ferrule, match the color cable that best represents your style among the hundreds available and complete your new lamp with bulbs, components and accessories by Creative-Cables.

Attention! Bulb and socket NOT included.
