Create elegant and impressive pendant lamps with the Bell lamp shade M.

**Perfectly on a table or bar counter**, also in combination with other lamp shades of the same series, this lamp shade is **made and decorated entirely in Italy**.

Bell hangs simply: knot any fabric-covered cable to the loop at its end and insert a E26 socket to screw on the design lamp you have chosen for your **pendant lamp**.

Every finish of this lamp shade is designed to allow you to create the right atmosphere in the rooms you are furnishing: choose glossy white for a clean and elegant effect or the blackboard effect to give an original touch to your lamp, or choose the most original paints, such as rust and cement, to create a perfect suspension for an industrial style environment.
