Product short description:

The Impero fabric lamp shade, with its **classical design** and **natural-tone materials** is the ideal complement for a table or wall lamp inspired by the timeless spirit of countryside homes.

Impero is **Manufactured entirely in Italy, a testament to artisanal Italian quality.**, in a workshop in Tuscany that has always been dedicated to the artisan production of lamp shades. The fabric is a natural jute fibre, rough to the touch, but ideal for shielding the light of the bulb with soft, neutral colors and diffusing it into any environment.

Choose the finish that best suits your decorating needs and create your new lamp with the components, accessories, bulbs and fabric-covered cables from the Creative-Cables catalogue.

Attention! Bulb and socket NOT included
