**Product short description:**

Pemberley Pond is the name of the talented illustrator duo behind the cover of one of the most celebrated children's books of recent years: *"Good Night Stories for Rebel Girls."* Known for their signature **calligraphic style**, they've turned 8 inspirational quotes about the joy of reading into stunning UFO **double-sided** lamp shades that are perfect for walls or pendant installations.

Each UFO lamp shade is **made from poplar wood**, measuring 12.99 inches in diameter and 0.197 inches thick. Both sides are illustrated, so you can simply flip the shade to give your lamp a fresh, new look.

The carefully selected quotes feature renowned writers and thinkers, including Jane Austen, journalist Holbrook Jackson, novelist Fernando Pessoa, and statesman Frederick Douglass. Book lovers will finally have a lamp shade that celebrates their passion for reading!

Design your ideal lighting solution with the UFO shade. Turn it into a pendant light, wall fixture, or ceiling lamp by selecting from the available finishes and pairing it with Creative-Cables' bulbs, components, and fabric-covered cords.
