**Product short description:**

The electrical cable becomes a rope cable.

This 2XL jute and natural grey linen rope cable is featured by a double coating: the round electric cable covered in RN06 jute is enriched by the external coating of the braided jute cord thus reaching a 24mm external diameter.

Don't give up on the beauty of a 2XL rope cable! The round cable covered in 2x0.75 RN06 Jute runs inside the cord cover: in this way you can treat the cord like any other cable, without worrying about how to connect it.

You can use the 2XL rope cable covered in jute matching with the ceiling roses and lamp holders in natural or painted wood, to create pendant lighting to a great effect.

100% produced in Italy.

The cable is sold by the metre, multiple orders will be delivered in one whole part up to a maximum of 20 metres.
