**Product title:**

Dome XL Naked Cage Metal Lampshade | Industrial Style | E26 Socket

**Product attributes:**

Finish: White, Black, Copper

**Product image:**

**Product price:**

\$47.10 tax included

**Product short description:**

The Dome cage expands and widens the spaces of our naked lamp shade cages, with a **wide and very light shape, perfect above a table or in the middle of a large bright room.**

The polygons, made by hand working the metal, leave ample space between them, to enhance the light and the shape of an impressive bulb like a Globo G125.

The Dome is **complete with E26 socket** IMQ-ENEC certified and metal socket cover, ready to be joined to a colored cable of the many available in the Creative-Cables catalogue: choose the shade finish that best suits your needs and give life to your new pendant lamp!

Attention! Bulb NOT included.
