Product title:

Metal Duedì Base Pendant Shade | Modern Look | E26 Socket

Product attributes:

Finish: White, Black

Product image:

Product price:

\$12.40 tax included

Product short description:

For our line of **naked lamp shades** Duedì we focused on the essentials: geometric shapes, **lightweight structure**, almost two-dimensional, with socket and bulb fully exposed for maximum brightness.

The Base trapezoid is made of metal and is equipped with a metal socket cover.

To make the most of it, we suggest you combine it with a ST64 Edison light bulb which will make it a perfect pendant lamp for a modern bedroom.

The metal shade Duedì Base is **supplied already complete with E26 socket** IMQ-ENEC certified, socket cover and cable clamp with grain: select the finish that best suits your furnishing needs and interior design style and give life to your new pendant lamp!

Attention! Bulb NOT included.
