Product short description:

Three wooden feet - endless possibilities!

If you are a lover of upcycling and creative recycling, these components are just what you need: thanks to the wooden feet kit you can breathe new life into and reinvent an old lampshade!

These beechwood feet made in Italy have a supporting purpose, allowing you to transform a lampshade into a table lamp base. They are equipped with double-sided adhesive tape to secure the lampshade and felt pads on the underside to ensure protection and adherence to the supporting surface.

The wooden feet are available in different finishes to allow for a pleasant harmonious effect of your installation.

The extra idea:

- transform one of our ceramic lampshades from the Materia collection into a table lamp base!
