Product price:

\$129.60 tax included

Product short description:

A pendant lamp designed for those who are looking for a minimalist lighting solution.

The triangular shape and the **very light, almost two-dimensional structure** of the Duedì Apex nude lampshade make this ceiling lamp a modern and contemporary lighting solution, while the light bulb left exposed makes it **perfect for lighting those interiors where natural light is most scarce**.

We recommend you use this pendant lamp to change the look of a living room, give new light to an entrance hall or insert a modern detail into a bedroom.

This chandelier is ready to be installed by expert hands and you can buy it already **complete with bulb**: we have chosen for you the Edison ST64 LED light bulb transparent with long filament, but alternatively you can take a look at our assortment of LED design bulbs to find the one that best suits your style.

Product description:

Hanging lamp composed of:

120 cm of cable 2x0.75 of the selected color

1 metal canopy of the selected finish

1 portalampada E26 in termplastica liscio

1 Duedì Apex metal lampshade of the selected finish (L 280 mm, H 240 mm) complete with metal socket cover

Light bulb [DG-ST64-CLEAR]: LED, ST64, 5,5W, 250 Lm, 2200K, E26, width 64 mm, dimmable

You can also purchase this lamp in the Matter-integrated version, for lighting control with your voice or the apps you already use regularly. Turn the lights on and off, create automations, and make your lights interact with other smart home devices easily and without the need for installation.

NOTE: If a wall switch is connected directly after the line cable, turning off the lamp will also cut off power to the Matter switch. Consequently, it will no longer be able to receive commands via voice or app. However, once the light is turned back on from the wall switch, the Matter switch will be powered again and resume normal operation.

Product features:

Material: Metal
Lampshade: Yes
