Product short description:

The Creative-Cables pendant lamp complete with Tub-E12 lampshade is the perfect lighting solution when you want to give light to special spots to interiors and create a unique atmosphere.

Tub-E12 is the **ideal lampshade for every spotlight lover**: a very versatile lighting solution, able to adapt to many needs and requirements.

This single pendant is equipped with a double ferrule socket and is connected to one of our round cables to be installed directly on your ceilings.

This is the perfect suspension lamp to give light to all those interiors that have made the most modern trends (from vintage to industrial) their trademark and is **ideally suited to many interiors: from bedrooms to living rooms, through bars and kitchens**.

This chandelier is ready to be installed by expert hands and you can buy it already **complete with bulb**: we have chosen the E12 R50/A45 LED bulb for you, but alternatively you can take a look at our assortment of LED design bulbs to find the one that best suits your style.

Product description:

Hanging lamp composed of:

190 cm of cable 2x0.75 of the selected color

1 metal canopy of the selected finish

1 portalampada E12 doppia ghiera in termoplastica per lampshade

1 lampshade in metallo Tub-E12 of the selected finish ø 60 mm H 153mm

You can also purchase this lamp in the Matter-integrated version, for lighting control with your voice or the apps you already use regularly. Turn the lights on and off, create automations, and make your lights interact with other smart home devices easily and without the need for installation.

NOTE: If a wall switch is connected directly after the line cable, turning off the lamp will also cut off power to the Matter switch. Consequently, it will no longer be able to receive commands via voice or app. However, once the light is turned back on from the wall switch, the Matter switch will be powered again and resume normal operation.
