$212.70 tax included

Product short description:

The Bell XS pendant lamp with lampshade with its **refined and original style** is perfect to be **used in series and illuminate the counter of a kitchen** or to create original suspensions over tables and in refreshment areas by combining Bell XS with its larger sisters of the most important dimensions.

The lampshade of this chandelier is **made and decorated entirely in Italy**: every available finish is designed to allow you to create the right atmosphere in the interior you are decorating.

Choose glossy white for a clean and elegant effect or the blackboard effect to give an original touch to your lamp, or choose the most original coatings, such as rust and cement, to create a perfect suspension for an industrial style environment.

This chandelier is ready to be installed by expert hands and you can buy it already **complete with bulb**: we have chosen for you the LED filament bulb Drop 8W Clear LED light bulb, but alternatively you can take a look at our assortment of LED design bulbs to find the one that best suits your style.

Product description:

Hanging lamp composed of:
120 cm of cable 2x0.75 of the selected color
1 metal canopy of the selected finish
1 E26 smooth thermoplastic socket bianco
1 ceramic Bell XS lampshade of the selected finish ø 130 mm H 190 mm

Light bulb [DG-A60-CLEAR]: LED, E26, 60 mm, 3,8W, 2200 K, 136 Lm, dimmable

You can also purchase this lamp in the Matter-integrated version, for lighting control with your voice or the apps you already use regularly. Turn the lights on and off, create automations, and make your lights interact with other smart home devices easily and without the need for installation.

NOTE: If a wall switch is connected directly after the line cable, turning off the lamp will also cut off power to the Matter switch. Consequently, it will no longer be able to receive commands via voice or app. However, once the light is turned back on from the wall switch, the Matter switch will

be powered again and resume normal operation.
