Product short description:

The terminal is made of beech wood crafted in Italy. Wood is a natural material that can evoke very different styles: Scandinavian, shabby, country, nautical and many more!

The wooden terminal is suitable for light installations with our 24mm diameter 2XL cords with 2x0.75 internal electrical cable and can be used both as a closing part of the terminal and as a cable clamp for 2XL cords.

Natural wood can be painted or varnished to suit your needs and creative projects..
The kit includes a terminal with a diameter and a hole, a threaded rod, 2 nuts and a washer.
