Product short description:

Warm and bright, this mustard colour (also called mustard yellow) has an innate ability to shed strong yet not blinding light. Extremely versatile, it can be paired with any tone or color shade in any room of your house (or why not, in any office, shop or study).

Versatile and original, this mustard Creative Flex with textile lining can be paired to all of our roses and lamp holders... It's up to you! What makes this flexible extension so special? It can be easily customized countless times, adjusting and re-adjusting itself for your every need.

Available in 3 different lengths (30 cm, 60 cm and 90 cm), the Creative Flex can be used as a precious addition to your bedside table lamp, your one-of-a-kind wall lamp or it can be the secret ingredient to the perfect suspension lamp.
