Product short description:

To move around your bed or nightstand and make sure the lamp follows. To create a warm and tidy reading nook. To accommodate any situation where you need to turn a light source into a lamp, our Fermaluce will be the perfect fit thanks to its mini rose with built-in switch.

Thanks to the adjustable 30cm long Flex extension (with a fine textile lining) and thanks to the GU10 spotlight, this lamp is extremely functional: you will be able to shape it however and as many times as you want, pointing the light beam where it's needed. Give way to your creativity!

What about the finishes? Choose the colours that best match your style and your decor: delicate shades that, thanks to their timeless elegance, never go out of style.

Product description:
