**Product short description:**

AttaccaSI! is a Creative-Cables accessory that allows you to secure the SI! lamp holder on any non-ferrous surface. All you'll need is a screw and a dowel to mount it to any surface.

Stone wall or drywall partition, hardwood headboard or chipboard library, no matter the surface just secure the washer and you'll be good to go.

This washer has a flared hole to prevent the screw from sticking out: the hook for the SI! lamp is perfectly stable and safe.
