**Product short description:**

This colourful silicone suspension lamp boasts an essential and versatile design and a wide range of classic or more vibrant colours. The perfect solution to complement any modern and contemporary setting.

The colourful silicone finishes and the matching fabric cables make this lamp a fun statement piece for any room. Play with different colours and shades, choose between vibrant tones to brighten up your surroundings or soft pastel hues for a softer and subtler result.

**Where should this silicone lamp be used?**

Thanks to its features and wide array of finishes, this colorful silicone suspension lamp flawlessly adapts to any room. Red, yellow, black, petrol blue and many more colours can be found in the 12 options available. This lamp is guaranteed to be the main character in any room, from your office to the kitchen to a children's bedroom.

**Why choose silicone?**

Silicone is a soft, long-lasting material. It can withstand high temperatures, chemical aggressions and oxidation. On top of that, it's also light and boasts excellent isolating properties: it's no wonder this material has captured the attention of interior designers and customers looking for something versatile and reliable.

**Which light bulbs best suit this lamp?**

This suspension lamp can be purchased already paired with the G95 Globe clear light bulb, which adapts to any room thanks to its versatile shape. Still not convinced? Then check out our range of [designer LED light bulbs with E26 fitting](#) and find the one that best suits your taste.

An affordable and colourful suspension lamp made from long-lasting materials which is sure to add flair and bring character to kitchens, spruce up living rooms or light up any bedroom.
