Product short description:

Fermaluce EIVA ELEGANT is the wall lamp featuring the EIVA line socket and ceiling canopy: high-quality components tested for wet locations. These components are exclusively designed and patented by Creative Cables.

Fermaluce EIVA ELEGANT is perfect not only for decorating a garden or a terrace but also as a lighting solution for the bathroom, without having to worry about water splashes!

As a wall lamp for the bathroom, it will be the perfect way of adding both functional and atmospheric lighting, mounted above or next to mirrors.

The soft-touch silicone cover is water-resistant and is available in a range of EIVA ELEGANT colors: choose the one that best matches the interior you want to illuminate!

WARNING: The wet location EIVA socket is only compatible with glass LED light bulbs and has been tested for compatibility with A19, ST21, G30, and G40 bulb shapes.

Every Creative Cables lamp is designed and assembled in Italy, tested by independent laboratories, ensuring compliance with the strictest regulations. Another reason to trust Creative Cables quality.
