Product short description:

Are you in search of an outdoor lamp with double light outlet that is both practical and appealing? Then you've come to the right place. This single lamp, available in different finishes, will help you host wonderful dinner parties without any disputes. Have a best friend and boyfriend who don't get along? No problem, just seat them across the room from each other!

The T-Snake, with exposed light bulb, is constructed with a canopy, socket, and joint from the EIVA system, designed by Creative Cables: components suitable for wet locations, perfect for outdoor use. With two lateral falls for complete customization. And who knows, by the end of the evening, that best friend and boyfriend of yours might finally start seeing eye to eye!

WARNING: The wet location EIVA socket is only compatible with glass LED light bulbs and has been tested for compatibility with A19, ST21, G30, and G40 bulb shapes.

Every Creative Cables lamp is designed and assembled in Italy, tested by independent laboratories, ensuring compliance with the strictest regulations. Another reason to trust Creative Cables quality.
