**Product short description:**

The two things that most remind us of summer? Ice cream and string lights. A timeless design made even better by colored lampshades to liven up your patio and terrace every day.

The garlands from the EIVA outdoor illumination system were designed to keep you company on summer evenings in the open air. canopies, sockets, and joints are suitable for wet locations, while the elastomeric rubber cable is perfect for outdoor environments. Available in different finishes, and exclusively crafted for your enjoyment.

**WARNING:** The wet location EIVA socket is only compatible with glass LED light bulbs and has been tested for compatibility with A19, ST21, G30, and G40 bulb shapes.

*Every Creative Cables lamp is designed and assembled in Italy, tested by independent laboratories, ensuring compliance with the strictest regulations. Another reason to trust Creative Cables quality.*
