Product short description:

Remember those lights that adorn outdoor weddings and patios in cafés and restaurants? Do you wish to recreate that same effect on your terrace or balcony but don't want to invest in items easily ruined by storms and rain? The 3-light EIVA string light is perfect for you.

canopies, sockets, and joints are suitable for wet locations and perfect for outdoor environments. Available in different finishes, this string light designed by Creative Cables, like the rest of the collection, offers durability and style. Now all that's left to do is put together a massive party!

WARNING: The wet location EIVA socket is only compatible with glass LED light bulbs and has been tested for compatibility with A19, ST21, G30, and G40 bulb shapes.

Every Creative Cables lamp is designed and assembled in Italy, tested by independent laboratories, ensuring compliance with the strictest regulations. Another reason to trust Creative Cables quality.
