**Product short description:**

A fundamental component for creating any MAG-Y lamp, this socket gets its name from its magnetic core and distinctive Y-shaped design. Compatible with most of Creative Cables' extensions and cables, it serves as a versatile starting point to design the perfect table, floor, or wall lamp for your space.

Equipped with a protective non-scratch pad, the MAG-Y socket easily attaches to metal supports in the series or any iron surface. Want a straight, curved, or adjustable lamp? You're in control! Mix, match, create and you're done.
