Product short description:

Transform your outdoor spaces with a light fixture that combines design and functionality, ensuring both striking illumination and durability. The EIVA pendant lamp, paired with the unbreakable Unbreak-a-Ball shade, is designed for those who want both style and safety in outdoor settings. Perfect for terraces, gardens, pergolas, and porches, this lamp features the socket and canopy from the EIVA line—high-quality components suitable for wet locations, resistant to water and rain, entirely designed, developed, and patented by Creative Cables. Plus, the unbreakable Unbreak-a-Ball shade offers optimal protection for the bulb against accidental impacts caused by wind or sudden movements.

The decorative openings in the shade ensure optimal ventilation, preventing condensation even on the most humid days. They also make opening and closing the shade quick and easy, so changing the bulb is a breeze.

Available in various color combinations to best suit your style and décor needs. With its 16.4 ft cable and included decentralizer, you can easily adjust the drop position without modifying your electrical system, allowing you to create the perfect lighting for any outdoor space.

Product description:

Outdoor lamp comprising:

16,4 ft of 2x1.00 neoprene cable suitable for wet locations - UV resistant

1 soft touch silicone ceiling canopy suitable for wet locations

1 EIVA E26 socket suitable for wet locations

1 cap soft touch silicone socket of the selected finish

1 decentralizer complete with wall/ceiling mounting kit

1 [unbreakable Unbreak-a-Ball shade](#), diameter 13.5 cm

Bulb [\[DG-A60-CLEAR\]](#): LED, clear, A19, 3.8W, 136 Lm, warm light (2200K), E26, width 2.36", height 4,25"

To maintain the natural beauty of the product, we recommend cleaning the lamp with a cloth, avoiding the use of chemicals that could alter the surface.

WARNING: The wet location EIVA socket is only compatible with glass LED light bulbs and has been tested for compatibility with A19, ST21, G30, and G40 bulb shapes.

Every Creative Cables lamp is designed and assembled in Italy, tested by independent laboratories, ensuring compliance with the strictest regulations. Another reason to trust Creative

Cables quality.
